

Help Support the Future of Bon Keep the Shining City Shining

Join the Shining City Campaign, Keep the Shining City Shining

The monastery complex is designed and built in the traditional Tibetan style. Modern building techniques are used so that it functions efficiently. Many think of it as “The Shining City”. Still, as with all great things, care and attention must be applied to insure its survival. The Bon Foundation joins the Yungdrung Bon Monastic Center and others in seeking support for maintenance and repair of this magnificent complex that is known to all as the World Seat of Bon.
